

School Year 2011-2012

To Whom It May Concern:

As per our records and the recognition by the Illinois State Board of Education, I attest to the fact that all teachers and paraprofessional currently employed at Mount Carmel High School are "NCLB Highly Qualified".

A copy of proper certification of both the teachers and paraprofessionals can be viewed at the office of Wabash Community Unit School District #348. It is located at 218 West Thirteenth Street in Mount Carmel.

Cordially,

Pat Cheesman

Principal, MCHS
